SURFACE TRANSPORTATION BOARD

[Docket No. AB 6 (Sub-No. 492X)]

BNSF Railway Company—Abandonment Exemption—in Thurston County, Wash.

BNSF Railway Company (BNSF) has filed a verified notice of exemption under 49 C.F.R. pt. 1152 subpart F—Exempt Abandonments to abandon 1.43 miles of rail line between milepost 14.57 and milepost 16.0 in Belmore, Thurston County, Wash. (the Line).¹ The Line traverses United States Postal Service Zip Code 98512.

BNSF has certified that: (1) no local traffic has moved over the Line since prior to 2005; (2) no overhead traffic has moved over the Line since prior to 2005; (3) no formal complaint filed by a user of rail service on the Line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the Line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of a complainant within the two-year period; and (4) the requirements at 49 C.F.R. § 1105.7(c) (environmental report), 49 C.F.R.

¹ The Line is a portion of a 10.2-mile line of railroad currently being leased to the City of Tacoma, Department of Public Utilities, Beltline Division, d/b/a Tacoma Rail or Tacoma Municipal Beltline or TMBL (TMBL). See City of Tacoma, Dep't of Pub. Utils., Beltline Div. d/b/a Tacoma Rail or Tacoma Mun. Beltline or TMBL—Acquisition & Operation Exemption—Lakeview Subdivision, Quadlok-St. Clair & Belmore—Olympia Rail Lines in Pierce & Thurston Ctys., Wash., FD 34555 (STB served Oct. 19, 2004). In the verified notice, BNSF states that TMBL will be filing for discontinuance of the Line.

§ 1105.11 (transmittal letter), 49 C.F.R. § 1105.12 (newspaper publication), and 49 C.F.R. § 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. § 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on June 10, 2016, unless stayed pending reconsideration.² Petitions to stay that do not involve environmental issues,³ formal expressions of intent to file an OFA under 49 C.F.R. § 1152.27(c)(2),⁴ and interim trail use/rail banking requests under 49 C.F.R. § 1152.29 must be filed by May 20, 2016. Petitions to reopen or requests for public use conditions under 49 C.F.R.

² Although the exemption is scheduled to become effective on June 10, 2016, the transaction cannot be consummated by BNSF until TMBL obtains discontinuance authority.

³ The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Office of Environmental Analysis (OEA) in its independent investigation) cannot be made before the exemption's effective date. See Exemption of Out-of-Serv. Rail Lines, 5 I.C.C. 2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

⁴ Each OFA must be accompanied by the filing fee, which is currently set at \$1,600. See 49 C.F.R. § 1002.2(f)(25).

§ 1152.28 must be filed by May 31, 2016, with the Surface Transportation Board, 395 E Street, S.W., Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to applicant's representative: Karl Morell, Karl Morell & Associates, 655 Fifteenth St., N.W., Suite 225, Washington, DC 20005.

If the verified notice contains false or misleading information, the exemption is void ab initio.

BNSF has filed a combined environmental and historic report that addresses the effects, if any, of the abandonment on the environment and historic resources. OEA will issue an environmental assessment (EA) by May 16, 2016. Interested persons may obtain a copy of the EA by writing to OEA (Room 1100, Surface Transportation Board, Washington, DC 20423-0001) or by calling OEA at (202) 245-0305. Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at (800) 877-8339. Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 C.F.R. § 1152.29(e)(2), BNSF shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by filing of a notice of

consummation by May 11, 2017, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our website at
“WWW.STB.DOT.GOV.”

Decided: May 6, 2016.

By the Board, Rachel D. Campbell, Director, Office of Proceedings.
