SURFACE TRANSPORTATION BOARD

DECISION

Docket No. FD 35523

CSX TRANSPORTATION, INC.—JOINT USE—LOUISVILLE & INDIANA RAILROAD  
COMPANY, INC.

Decision No. 5

Decided: September 16, 2013

On August 23, 2013, a Notice to the Parties (Decision No. 4) was served in this proceeding. The service list was attached to the Notice. The Notice directed that corrections to the service list must be filed in writing with the Surface Transportation Board (Board) by September 3, 2013. The Notice also directed that all persons actively participating as a Party of Record (POR) in this proceeding must serve a copy of all filings submitted so far on all other persons listed as a POR to the extent such filings have not previously been served upon such other parties.

The Board did not receive any corrections. The service list, however, did not include the representatives of the Applicants, CSX Transportation, Inc. (CSXT) and Louisville & Indiana Railroad Company, Inc. (L&I). Therefore, the final service list will be modified to include the representatives of CSXT and L&I as PORs. All future filings must have a certificate of service indicating that all Parties of Record have been properly served with a copy of the filing.

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. The final service list is modified to include the changes shown in the Appendix attached to this decision.

2. This decision is effective on its date of service.

By the Board, Rachel D. Campbell, Director, Office of Proceedings.
