Docket No. AB-1068X

MISSOURI CENTRAL RAILROAD COMPANY
-- ABANDONMENT AND DISCONTINUANCE --
IN CASS COUNTY, MISSOURI

STAMPING FEE WAIVED

MOTION TO EXTEND TIME TO NEGOTIATE INTERIM TRAIL USE

The Missouri Department of Natural Resources ("MDNR") hereby requests and the Missouri Central Railroad Company ("MCRR") hereby agrees to an extension of time of an additional 90 day period for the parties to finalize and close on a trail use agreement and to provide additional time to fulfill and remove the applicable environmental conditions related to the rail line subject to the above referenced abandonment proceeding. The current period for negotiation of interim trail use/rail banking is set to expire on December 22, 2011.

The parties have substantially agreed to the terms of a trail use agreement and are diligently working toward closing on the transaction. The parties expect to file materials soon showing that that Section 106 process of the National Historic Preservation Act has been completed and ask the Board to remove that condition. Closing is expected to take place once that process is completed.
