SURFACE TRANSPORTATION BOARD

DECISION

STB Finance Docket No. 34209

NORFOLK SOUTHERN RAILWAY COMPANY—TRACKAGE RIGHTS EXEMPTION—
DELAWARE AND HUDSON RAILWAY COMPANY, INC.

MOTION FOR PROTECTIVE ORDER

Decided: August 14, 2002

On July 5, 2002, Norfolk Southern Railway Company (NS) filed a notice of exemption to acquire and exercise overhead trackage rights over approximately 284.6 miles of the Freight Main Line of the Delaware and Hudson Railway Company, Inc. d/b/a/ Canadian Pacific Railway (CPR) between Sunbury, PA, and Mechanicville, NY. The notice was served and published in the Federal Register on July 25, 2002 at 67 FR 48703.¹ On August 6, 2002, NS filed under seal redacted and unredacted versions of a related restructuring agreement with CPR. Concurrently, NS filed a motion² asking the Board to enter a protective order³ under 49 CFR 1104.14 restricting the release of the unredacted version of the agreement.⁴ According to NS, that version contains certain confidential and highly confidential, commercially sensitive information that must be protected against public disclosure.

Good cause exists to grant the motion for protective order. Issuance of the protective order is requested to protect commercially sensitive information contained in the restructuring agreement. Disclosure of that information could damage NS and CPR.

¹ A request to stay operation of the exemption by United Transportation Union—New York State Legislative Board was denied in a decision served on that same date.

² NS styled its request a “petition.”

³ NS concurrently filed a request for a protective order in a related proceeding, STB Finance Docket No. 34225, Norfolk Southern Railway Company—Trackage Rights Exemption—Reading Blue Mountain and Northern Railroad Company.

⁴ NS submitted proposed language for the protective order and undertakings in attached appendices.

The motion conforms with the Board's rules at 49 CFR 1104.14 governing requests for protective orders to maintain the confidentiality of materials submitted to the Board. Accordingly, the motion for protective order will be granted, subject to the Protective Order and Undertaking contained in the Appendix to this decision. Issuance of the protective order ensures that the confidential and highly confidential information contained in the restructuring agreement will be used solely for this proceeding and not for other purposes.

It is ordered:

1. The motion for a protective order is granted, and the Protective Order and Undertaking in the Appendix to this decision are adopted.
2. The unredacted version of NS's restructuring agreement with CPR submitted in STB Finance Docket No. 34209 will be kept under seal by the Board and will not be placed in the public docket or otherwise disclosed to the public, unless the attached Undertaking is executed and the terms of the Protective Order are followed, or unless otherwise ordered by the Board.
3. This decision is effective on its service date.

By the Board, Vernon A. Williams, Secretary.

APPENDIX

PROTECTIVE ORDER

1. For purposes of this Protective Order:

(a) “Confidential Documents” means documents and other tangible materials containing or reflecting Confidential Information.

(b) “Confidential Information” means traffic data (including but not limited to waybills, abstracts, study movement sheets, and any documents or computer tapes containing data derived from waybills, abstracts, study movement sheets, or other data bases, and cost work papers), the identification of shippers and receivers in conjunction with shipper-specific or other traffic data, the confidential terms of contracts with shippers, or carriers, confidential financial and cost data, and other confidential or proprietary business or personal information.

(c) “Designated Material” means any documents designated or stamped as “CONFIDENTIAL” or “HIGHLY CONFIDENTIAL” in accordance with paragraph 2 or 3 of this Protective Order, and any Confidential Information contained in such materials.

(d) “Proceedings” means those before the Surface Transportation Board (“Board”) concerning the application in Finance Docket No. 34209, and any related proceedings before the Board, and any judicial review proceedings arising from Finance Docket No. 34209 or from any related proceedings before the Board.

2. If any party to these Proceedings determines that any part of a document it submits, discovery request it propounds, or a discovery response it produces, or a transcript of a deposition or hearing in which it participates, or of a pleading or other paper to be submitted, filed or served in these Proceedings contains Confidential Information or consists of Confidential Documents, then that party may designate and stamp such Confidential Information and Confidential Documents as “CONFIDENTIAL.” Any information or documents designated or stamped as “CONFIDENTIAL” shall be handled as provided for hereinafter.

3. If any party to these Proceedings determines that any part of a document it submits, discovery request it propounds, or a discovery response it produces, or a transcript of a deposition or hearing in which it participates, or of a pleading or other paper to be submitted, filed or served in these Proceedings contains shipper-specific rate or cost data, trackage rights compensation levels or other

competitively sensitive or proprietary information, then that party may designate and stamp such Confidential Information as “HIGHLY CONFIDENTIAL.” Any information or documents so designated or stamped shall be handled as provided hereinafter.

4. Information and documents designated or stamped as “CONFIDENTIAL” may not be disclosed in any way, directly or indirectly, or to any person or entity except to an employee, counsel, consultant, or agent of a party to these Proceedings, or an employee of such counsel, consultant, or agent, who, before receiving access to such information or documents, has been given and has read a copy of this Protective Order and has agreed to be bound by its terms by signing a confidentiality undertaking substantially in the form set forth at Exhibit A to this Order.

5. Information and documents designated or stamped as “HIGHLY CONFIDENTIAL” may not be disclosed in any way, directly or indirectly, to any employee of a party to these Proceedings, or to any other person or entity except to an outside counsel or outside consultant to a party to these Proceedings, or to an employee of such outside counsel or outside consultant, who, before receiving access to such information or documents, has been given and has read a copy of this Protective Order and has agreed to be bound by its terms by signing a confidentiality undertaking substantially in the form set forth at Exhibit B to this order.

6. Any party to these Proceedings may challenge the designation by any other party of information or documents as “CONFIDENTIAL” or as “HIGHLY CONFIDENTIAL” by filing a motion with the Board or with an administrative law judge or other officer to whom authority has been lawfully delegated by the Board to adjudicate such challenges.

7. Designated material may not be used for any purposes, including without limitation any business, commercial or competitive purposes, other than the preparation and presentation of evidence and argument in Finance Docket No. 34209, any related proceedings before the Surface Transportation Board, and/or any judicial review proceedings in connection with Finance Docket No. 34209 and/or with any related proceedings.

8. Any party who receives Designated Material in discovery shall destroy such materials and any notes or documents reflecting such materials (other than file copies of pleadings or other documents filed with the Board and retained by outside counsel for a party to these Proceedings) at the earlier of: (1) such time as the party receiving the materials withdraws from these Proceedings, or (2) the completion of these Proceedings, including any petitions for reconsideration, appeals, or remands.

9. No party may include Designated Material in any pleading, brief, discovery request or response, or other document submitted to the Board, unless the pleading or other document is submitted

under seal, in a package clearly marked on the outside as “Confidential Materials Subject to Protective Order.” See 49 CFR 1104.14. All pleadings and other documents so submitted shall be kept confidential by the Board and shall not be placed in the public docket in these Proceedings except by order of the Board or of an administrative law judge or other officer in the exercise of authority lawfully delegated by the Board.

10. No party may include Designated Material in any pleading, brief, discovery request or response, or other document submitted to any forum other than this Board in these Proceedings unless (1) the pleading or other document is submitted under seal in accordance with a protective order that requires the pleading or other document to be kept confidential by that tribunal and not be placed in the public docket in the proceeding, or (2) the pleading or other document is submitted in a sealed package clearly marked, “Confidential Materials Subject to Request for Protective Order,” and is accompanied by a motion to that tribunal requesting issuance of a protective order that would require the pleading or other document be kept confidential and not be placed in the public docket in the proceeding, and requesting that if the motion for protective order is not issued by that tribunal, the pleading or other document be returned to the filing party.

11. No party may present or otherwise use any Designated Material at a Board hearing in these Proceedings, unless that party has previously submitted, under seal, all proposed exhibits and other documents containing or reflecting such Designated Material to the Board, to an administrative law judge or to another officer to whom relevant authority has been lawfully delegated by the Board, and has accompanied such submission with a written request that the Board, administrative law judge or other officer (a) restrict attendance at the hearing during any discussion of such Designated Material, and (b) restrict access to any portion of the record or briefs reflecting discussion of such Designated Material in accordance with this Protective Order.

12. If any party intends to use any Designated Material in the course of any deposition in these Proceedings, that party shall so advise counsel for the party producing the Designated Material, counsel for the deponent, and all other counsel attending the deposition. Attendance at any portion of the deposition at which any Designated material is used or discussed shall be restricted to persons who may review that material under the terms of this Protective Order. All portions of deposition transcripts or exhibits that consist of, refer to, or otherwise disclose Designated Material shall be filed under seal and be otherwise handled as provided in paragraph 9 of this Protective Order.

13. To the extent that materials reflecting Confidential Information are produced by a party in these Proceedings, and are held and/or used by the receiving person in compliance with paragraphs 1, 2 or 3 above, such production, disclosure, holding, and use of the materials and of the data that the materials contain are deemed essential for the disposition of this and any related proceedings and will not be deemed a violation of 49 U.S.C. 11904 or of any other relevant provision of the ICC Termination Act of 1995.

14. All parties must comply with all of the provisions of this Protective Order unless the Board or an administrative law judge or other officer exercising authority lawfully delegated by the Board determines that good cause has been shown warranting suspension of any of the provisions herein.

15. Nothing in this Protective Order restricts the right of any party to disclose voluntarily any Confidential Information originated by that party, or to disclose voluntarily any Confidential Documents originated by that party, if such Confidential Information or Confidential Documents do not contain or reflect any Confidential Information originated by any other party.
