SURFACE TRANSPORTATION BOARD

DECISION

STB Docket No. AB-33 (Sub-No. 229X)

UNION PACIFIC RAILROAD COMPANY—ABANDONMENT EXEMPTION—IN ELLIS  
COUNTY, TX

Decided: February 26, 2007

Union Pacific Railroad Company (UP) filed a notice of exemption under 49 CFR 1152 Subpart F—Exempt Abandonments to abandon a 4.57-mile line of railroad known as the Waxahachie Industrial Lead extending from milepost 798.03, near Waxahachie, to milepost 802.60, near Nena, in Ellis County, TX. Notice of the exemption was served and published in the Federal Register on December 7, 2005 (70 FR 72876).<sup>1</sup>

By decision served on January 5, 2006, the proceeding was reopened and the exemption was made subject to three environmental conditions, which remain in effect. By decision and notice of interim trail use or abandonment (NITU) served on February 1, 2006, the proceeding was reopened again and a 180-day period was authorized for the City of Waxahachie, TX (the City), to negotiate an interim trail use/rail banking agreement with UP for the described line, under the National Trails System Act, 16 U.S.C. 1247(d) (Trails Act). The trail use negotiating period under the NITU was extended by decisions served on July 28, 2006, October 27, 2006, and December 21, 2006. The latest extension is scheduled to expire on February 26, 2007.

On February 20, 2007, the City filed a request to extend the NITU negotiating period for an additional 60 days. The City states that the parties have reached an agreement but additional time is needed to finalize contractual matters. By letter filed on February 21, 2007, UP states that it is willing to continue to negotiate with the City and that it supports the request to extend the negotiating period.

Where, as here, the carrier is willing to continue trail use negotiations, the NITU negotiating period may be extended.<sup>2</sup> An extension of the negotiating period will promote the establishment of trail use and rail banking consistent with the Trails Act. Accordingly, the NITU negotiating period will be extended for an additional 60 days from February 26, 2007, until April 27, 2007.

---

<sup>1</sup> The exemption became effective on January 6, 2006.

<sup>2</sup> See Rail Abandonments—Supplemental Trails Act Procedures, 4 I.C.C.2d 152, 157-58 (1987).

This decision will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. The request to extend the NITU negotiating period is granted.
2. The negotiating period under the NITU is extended to April 27, 2007.
3. This decision is effective on its service date.
