SERVICE DATE – LATE RELEASE JULY 11, 2007

SURFACE TRANSPORTATION BOARD

DECISION

STB Finance Docket No. 35053

J.P. RAIL, INC. d/b/a/ SOUTHERN RAILROAD CORPORATION OF NEW JERSEY—
LEASE AND OPERATION EXEMPTION—ALTERNATIVE ENERGY TECHNOLOGIES
SR, LLC

Decided: July 11, 2007

On June 27, 2007, J.P. Rail, Inc. d/b/a/ Southern Railroad Corporation of New Jersey (SRNJ), filed a verified notice of exemption under 49 CFR 1150.41-44 to lease and operate approximately one mile of rail line owned by Alternative Energy Technologies SR, LLC (AET) in Bensalem Township, Bucks County, PA.

In filing the notice, SRNJ has not complied with 49 CFR 1150.43(e) and (f), which requires (1) the mileposts of the subject property, including any branch lines; and (2) a map that clearly indicates the area to be served, including origins, termini, stations, cities, counties, and states. It is difficult to glean any information from the map provided.

Accordingly, the verified notice of exemption will be rejected without prejudice to the filing of a verified notice of exemption that complies with the Board's rules at 49 CFR 1150.41-44.

It is ordered:

1. The verified notice of exemption in this proceeding is rejected without prejudice to the filing of a verified notice of exemption that complies with the Board's rules at 49 CFR 1150.41-44.
2. This decision is effective on the date of service.

By the Board, David M. Konschnik, Director, Office of Proceeding.

Vernon A. Williams
Secretary
