SERVICE DATE - LATE RELEASE APRIL 21, 2000

SURFACE TRANSPORTATION BOARD

DECISION

Section 5a Application No. 61 (Sub-No. 6)

NATIONAL CLASSIFICATION COMMITTEE — AGREEMENT

Decided: April 20, 2000

The attached list in the Appendix to this decision has been compiled from information taken from the initial comments filed in response to the notice published in the Federal Register on February 11, 2000, at 65 FR 7098. Any reply comments (original plus 10 copies) must be filed with the Board by May 11, 2000. Any rebuttal comments (original plus 10 copies) must be filed with the Board by June 12, 2000. Before a reply or rebuttal comment filed in this proceeding may become part of our official record, it must be served on other persons designated as parties on the attached list, and the document should so indicate. While the decision served on April 10, 2000, stated that reply and rebuttal comments will be accepted only from parties who indicated their intention to participate by filing initial comments, the Board will accept reply and rebuttal comments submitted by any interested party. A person whose name appears on the attached list but who is not designated a party need not be served with copies of filings, but will be advised by the Board of all Board decisions in this proceeding.

Parties on the attached list should review it and determine whether information about their address and status (as a party or nonparty) is correct. The list reflects our policy of allowing only one official representative per party to be placed on such lists.

Any requests for change of status, correction of address information, or deletion from the attached list must be filed in writing with the Board by May 3, 2000. An original and 10 copies of such requests should be directed to:
