DECISION

STB Docket No. AB-33 (Sub-No. 190X)

UNION PACIFIC RAILROAD COMPANY–ABANDONMENT EXEMPTION–IN DUNN
COUNTY, WI

Decided: September 19, 2006

Union Pacific Railroad Company (UP) filed a notice of exemption under 49 CFR 1152 Subpart F–Exempt Abandonments to abandon a 2-mile line of railroad, known as the Menomonie Industrial Lead, extending from milepost 0.90 near Stout Oak Street to milepost 2.90 near 12th Avenue West, in Dunn County, WI. Notice of the exemption was served and published in the Federal Register on January 10, 2003 (68 FR 1510-11). By decision and notice of interim trail use or abandonment (NITU) served on February 7, 2003, the proceeding was reopened and a 180-day period was authorized for the City of Menomonie (the City), acting through the Wisconsin Department of Transportation (WisDOT), to negotiate an interim trail use/rail banking agreement with UP for the right-of-way involved in this proceeding.¹ The negotiating period under the NITU was extended several times, with the latest extension expiring on July 21, 2006.²

On September 13, 2006, WisDOT filed a request to extend the NITU negotiating period for an additional 90 days. WisDOT states that the City and UP have negotiated a rail banking agreement, but the details have not been finalized. WisDOT indicates that the abandonment has not been consummated. On the same date, UP filed a letter stating that it supports the request to extend the negotiating period for an additional 90 days.

Where, as here, the carrier has not consummated the abandonment at the end of the previously imposed negotiating period and is willing to continue trail use negotiations, the Board retains jurisdiction and the NITU negotiating period may be extended.³ Under the

¹ The decision and notice also made the exemption subject to a salvage condition and a historic preservation condition. By decision served on March 18, 2003, the historic preservation condition imposed on the entire line was modified to limit the condition to the two bridges, D-3 and D-5, located at mileposts 2.12 and 2.38, respectively.

² The most recent extension of the negotiating period under the NITU was authorized by decision served on March 15, 2006.

circumstances, further extension of the negotiating period is warranted. See Birt v. STB, 90 F.3d 580, 588-90 (D.C. Cir. 1996); Grantwood Village v. Missouri Pac. R.R. Co., 95 F.3d 654, 659 (8th Cir. 1996). Accordingly, the NITU negotiating period will be extended to October 19, 2006 (90 days from the expiration of the previous extension).

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. The request to extend the NITU negotiating period is granted.
2. The negotiating period under the NITU is extended to October 19, 2006.
3. This decision is effective on the date of service.
