SERVICE DATE - LATE RELEASE APRIL 22, 1997

SURFACE TRANSPORTATION BOARD

DECISION

No. 41295

PENNSYLVANIA POWER & LIGHT COMPANY
v.
CONSOLIDATED RAIL CORPORATION, *ET AL.*

Decided: April 22, 1997

By motion filed April 18, 1997, Pennsylvania Power & Light Company (PP&L) requests that (1) the date for filing opening statements by all parties, currently May 27, 1997, be extended by 15 days to June 11, 1997, and that (2) each subsequent date in the present schedule also be extended by 15 days. PP&L asserts that an extension is needed because its technical consultant Peabody and Associates is presently working on another case. PP&L represents that the defendant railroads join in the requested extension.

The requested extension will be granted.

It is ordered:

1. The deadline for filing opening statements is extended until June 11, 1997, and all subsequent deadlines are extended by 15 days.

2. This decision is effective on its date of service.

By the Board, Vernon A. Williams, Secretary.
