SURFACE TRANSPORTATION BOARD

DECISION

STB Docket No. AB-55 (Sub-No. 625X)

CSX TRANSPORTATION, INC.–ABANDONMENT EXEMPTION–
IN PRESTON COUNTY, WV

Decided: December 12, 2006

By decision and notice of interim trail use or abandonment (NITU) served on April 9, 2004 (April 2004 decision), the Board, under 49 U.S.C. 10502, exempted from the prior approval requirements of 49 U.S.C. 10903 the abandonment by CSX Transportation, Inc. (CSXT) of a 14.3-mile line of railroad extending from milepost BAJ 0.0 at Rowlesburg to milepost BAJ 14.3 near Albright in Preston County, WV, subject to trail use, public use, environmental, and standard employee protective conditions.

The April 2004 decision authorized Friends of the Cheat (Friends) to negotiate with CSXT for interim trail use/rail banking until October 6, 2004, for the 14.3-mile line under the National Trails System Act, 16 U.S.C. 1247(d) (Trails Act). By decision served on October 13, 2004, the NITU negotiating period was extended until April 6, 2005, and the time for CSXT to file its notice of consummation was extended until June 6, 2005. After the extension of the NITU negotiating period, CSXT and Friends could not reach an agreement. CSXT subsequently submitted a notice of consummation to the Board on June 3, 2005.

By letter filed on October 12, 2005, CSXT stated that it had inadvertently sent the notice of consummation in this proceeding to the Board before complying with all of the conditions imposed in the April 2004 decision. In that filing, CSXT requested that the Board allow it to retract the consummation letter so that CSXT properly could comply with the historic preservation condition, which remained unsatisfied, and asked that the Board indicate that the abandonment had not been consummated. By decision served on October 28, 2005, CSXT's request to retract the consummation letter was granted, and it was ordered that the line remained subject to the Board's jurisdiction.¹

¹ By decision served on January 26, 2006, the proceeding was reopened at the request of the Board's Section of Environmental Analysis and the historic preservation condition that had been imposed in the April 2004 decision was removed.

By decisions served on December 8, 2005, and May 26, 2006, the negotiating period under the NITU was extended to November 23, 2006, for a 9.78-mile portion of the line extending from milepost BAJ 0.0 at Rowlesburg to milepost BAJ 9.78 at Camp Dawson, in Preston County, WV. The May 2006 decision also granted a request from CSXT to extend the consummation notice filing deadline until January 22, 2007.

On November 22, 2006, CSXT filed a request for an additional 180-day extension of the NITU negotiating period until May 22, 2007. CSXT states that it has not consummated the abandonment for that portion of the line,² has been unable to finalize negotiations with Friends, and desires to continue to negotiate for interim trail use/rail banking for the 9.78-mile portion of the line with Friends. Additionally, CSXT requests an extension of the consummation notice filing deadline until July 21, 2007.

Where, as here, the carrier has not consummated the abandonment at the end of the previously imposed negotiating period for a portion of the line and has indicated its willingness to continue negotiations for that portion of the line by agreeing to an extension, the Board retains jurisdiction and the NITU negotiating period may be extended for that portion of the line.³ Under the circumstances, further extension of the negotiating period is warranted. See Birt v. STB, 90 F.3d 580, 588-90 (D.C. Cir. 1996); Grantwood Village v. Missouri Pac. R.R. Co., 95 F.3d 654, 659 (8th Cir. 1996). An extension of the NITU negotiating period and the consummation notice filing deadline will promote the establishment of trail use and rail banking consistent with the Trails Act. Accordingly, the NITU negotiating period will be extended for that portion of the line extending from milepost BAJ 0.0 at Rowlesburg to milepost BAJ 9.78 at Camp Dawson, in Preston County, WV, for a period of 180 days, from November 23, 2006, to May 22, 2007, and the consummation notice filing deadline will be extended from January 22, 2007, until July 21, 2007.

This decision will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

² In its letter-request filed on November 22, 2006, CSXT states that it has consummated the abandonment for the remaining portion of the line, extending between milepost BAJ 9.78 and milepost BAJ 14.3. CSXT's filing will be considered its notice of consummation of its abandonment authority for this portion of the line.

³ See Rail Abandonments—Supplemental Trails Act Procedures, 4 I.C.C.2d 152, 157-58 (1987).

1. The requests by CSXT for an additional 180-day NITU negotiating period and for an extension of time to exercise abandonment authority for the above-described portion of the line are granted.

2. The negotiating period under the NITU is extended to May 22, 2007.

3. The authority to abandon must be exercised on or before July 21, 2007.

4. This decision is effective on its date of service.

By the Board, David M. Konschnik, Director, Office of Proceedings.
