DECISION

Docket No. FD 34797

NEW ENGLAND TRANSRAIL, LLC, d/b/a  
WILMINGTON & WOBURN TERMINAL RAILWAY  
—CONSTRUCTION, ACQUISITION AND OPERATION EXEMPTION—  
IN WILMINGTON AND WOBURN, MASS.

Decided: March 1, 2016

NOTICE TO THE PARTIES:

The attached service list has been compiled from the notices of intent to participate submitted in accordance with the Board's decision served on January 11, 2016, in this docket.

Each person that filed comments in response to the Board's December 14, 2015 decision, as extended, must, by March 15, 2016, (1) serve such filing(s) on the Parties of Record included on the attached service list, if those parties were not previously served when the comment was filed and (2) certify to the Board that such service has been completed.

Every filing made by a Party of Record after the service date of this Notice must have its own certificate of service indicating that all Parties of Record on the service list have been served with a copy of the filing. The Board will not issue a notice of changes to the service list made after the date of this Notice. Persons interested in obtaining a copy of the current service list should refer to the Board's website or call the Board's main telephone number at (202) 245-0245.<sup>1</sup>

All persons on the attached service list should review the list and determine whether information about their address and status (as a Party of Record or Non-Party) is correct. The list reflects the Board's policy of allowing only one official representative per party to be placed on the service list. If a request was made in the notice of intent to participate to have more than one name added to the service list as a Party of Record representing a particular entity, the extra names were added to the service list as a "Non-Party." Any person designated as a Non-Party will receive copies of Board decisions, orders, and notices but not copies of official filings.
