[STB Docket No. AB-550 (Sub-No. 2X)]

R.J. Corman Railroad Company/Allentown Lines, Inc.–Abandonment Exemption–in Erie County, NY

R.J. Corman Railroad Company/Allentown Lines, Inc. (RJCN) has filed a notice of exemption under 49 CFR 1152 Subpart F–Exempt Abandonments to abandon: (1) the Walden Running Track between approximately milepost 413.90 and approximately milepost 418.50; and (2) the JD Industrial Track between approximately milepost 0.00 and approximately milepost 0.60, a total distance of approximately 5.20 miles in Erie County, NY.¹ The line traverses United States Postal Service Zip Codes 14086, 14031, 14225, 14227, and 14206.

RJCN has certified that: (1) no local traffic has moved over the line for the past 2 years; (2) there is no overhead traffic on the line; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation

¹ RJCN notes that it acquired the subject line from Consolidated Rail Corporation pursuant to an offer of financial assistance in Consolidated Rail Corporation–Abandonment Exemption–in Erie County, NY, STB Docket No. AB-167 (Sub-No. 1164X) (Served Sept. 30, 1996).

Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental reports), 49 CFR 1105.8 (historic reports), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under Oregon Short Line R. Co.–Abandonment–Goshen, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed. Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on December 11, 2002 unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,² formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),³ and trail use/rail banking requests under 49 CFR 1152.29 must be filed by November 18, 2002. Petitions to reopen or requests for public use conditions under 49 CFR

² The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Section of Environmental Analysis (SEA) in its independent investigation) cannot be made before the exemption's effective date. See Exemption of Out-of-Service Rail Lines, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

³ Each OFA must be accompanied by the filing fee, which currently is set at \$1,100. See 49 CFR 1002.2(f)(25).

1152.28 must be filed by November 29, 2002, with: Surface Transportation Board, 1925 K Street, N.W., Washington, DC 20423.

A copy of any petition filed with the Board should be sent to RJC�'s representative: Edward J. Fishman, Kirkpatrick & Lockhart LLP, 1800 Massachusetts Avenue - 2nd Floor, Washington, DC 20036.

If the verified notice contains false or misleading information, the exemption is void ab initio.

RJC� has filed an environmental report which addresses the abandonment's effects, if any, on the environment and historic resources. SEA will issue an environmental assessment (EA) by November 15, 2002. Interested persons may obtain a copy of the EA by writing to SEA (Room 500, Surface Transportation Board, Washington, DC 20423) or by calling SEA, at (202) 565-1552. [Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339.] Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), RJC� shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned its line. If consummation has not been effected by RJC�'s filing of a notice of

consummation by November 8, 2003, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our website at
“WWW.STB.DOT.GOV.”

Decided: October 29, 2002.

By the Board, David M. Konschnik, Director, Office of Proceedings.

Vernon A. Williams

Secretary
