DECISION

STB Docket No. AB-33 (Sub-No. 190X)

UNION PACIFIC RAILROAD COMPANY—ABANDONMENT EXEMPTION—IN DUNN  
COUNTY, WI

Decided: January 24, 2005

Union Pacific Railroad Company (UP) filed a notice of exemption under 49 CFR 1152 Subpart F—Exempt Abandonments to abandon a 2-mile line of railroad, known as the Menomonie Industrial Lead, extending from milepost 0.90 near Stout Oak Street to milepost 2.90 near 12th Avenue West, in Dunn County, WI. Notice of the exemption was served and published in the Federal Register on January 10, 2003 (68 FR 1510-11). By decision and notice of interim trail use or abandonment (NITU) served on February 7, 2003, the proceeding was reopened and a 180-day period was authorized for the City of Menomonie (the City), acting through the Wisconsin Department of Transportation (WisDOT), to negotiate an interim trail use/rail banking agreement with UP for the right-of-way involved in this proceeding.<sup>1</sup> The negotiating period under the NITU was extended by decisions served on August 15, 2003, January 23, 2004, and July 30, 2004. The latest extension is scheduled to expire on January 27, 2005.

On January 21, 2005, WisDOT filed a petition to extend the NITU negotiating period for an additional 180 days. WisDOT states that the City and UP have had initial discussions and are willing to continue those discussions. By letter filed on January 21, 2005, UP states that it is willing to continue to negotiate with the City and that it supports the request to extend the negotiating period.

Where, as here, the carrier is willing to continue trail use negotiations, the negotiating period may be extended. An extension of the negotiating period will promote the establishment of trail use and rail banking consistent with the National Trails System Act, 16 U.S.C. 1247(d).<sup>2</sup>

---

<sup>1</sup> The decision and notice also made the exemption subject to a salvage condition and a historic preservation condition. By decision served on March 18, 2003, the historic preservation condition imposed on the entire line was modified to limit the condition to the two bridges, D-3 and D-5, located at mileposts 2.12 and 2.38, respectively.

<sup>2</sup> See Rail Abandonments—Supplemental Trails Act Procedures, 4 I.C.C.2d 152, 157-58 (1987).

Accordingly, the NITU negotiating period will be extended for an additional 180 days from January 27, 2005, until July 26, 2005.

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. The request to extend the NITU negotiating period is granted.
2. The negotiating period under the NITU is extended for 180 days until July 26, 2005.
3. This decision is effective on the date of service.

By the Board, David M. Konschnik, Director, Office of Proceedings.
