STB Docket No. AB-308 (Sub-No. 3X)

CENTRAL MICHIGAN RAILWAY COMPANY–  
ABANDONMENT EXEMPTION–IN SAGINAW COUNTY, MI

Decided: September 3, 2003

On August 20, 2003, the Central Michigan Railway Company (CMR) filed a Motion for Protective Order seeking to prevent public disclosure of certain material that was submitted with the motion. In a letter dated August 29, 2003, Plastatech Engineering, Inc. (Plastatech) requests an extension until September 16, 2003, to file its reply to CMR's motion. The due date for Plastatech's reply is September 9, 2003. Because of vacations and the Labor Day holiday, Plastatech states that additional time is needed to prepare its reply. Plastatech indicates that counsel for CMR does not object to the extension.

The request is reasonable and will be granted.

It is ordered:

1. The request for an extension of time for Plastatech to file a reply to CMR's Motion for Protective Order is granted.
2. Plastatech's reply is due on September 16, 2003.
3. This decision is effective on its service date.
