**Re: CSX Transportation, Inc.
Proposed Line Abandonment
Muhlenber and Ohio Counties, Kentucky
STP A55-648X**

Dear Mr. Geraci:

Thank you for your letter concerning the above referenced project. The additional information you provided on the Green River Bridge documents its history and method of construction. Based on our review of this bridge it is not eligible for listing in the National Register of Historic Places and we have no objections to its removal. The proposed project will not impact any National Register properties or sites. In accordance with 36 CFR Part 800.4(d) of the Advisory Council's revised regulations our finding is that there will be No Historic Properties Affected within the undertaking's area of potential impact. Therefore, we have no further comment, and the Agency Official's responsibility to consult with the State Historic Preservation Officer under the Section 106 review process is fulfilled.

If you have any questions concerning this project please feel free to contact David Pollack of my staff at 502-564-7005.

Sincerely,

A handwritten signature in dark ink, appearing to read "David L. Morgan".
