Dear Mr. Monroe:

This responds to your email of August 18, 2006, concerning the above referenced abandonment. Upon receipt of effective authority from the Surface Transportation Board, BNSF plans to arrange for the salvage and disposition of the right-of-way and materials thereon. Accordingly, the one (1) geodetic station marker identified as being affected by the proposed abandonment should be relocated within the next 90 days.

Sincerely,
