Subject STB Docket No. AB-33 (Sub-No. 242X) abandonment in
Montgomery County

Abe, I look forward working with you on all future abandonments in the state of Kansas. On all sites you are currently or will abandon, please provide the following information in a work plan to our office:

1. When the abandonments will start.
2. Approximately how long the abandonment will take.
3. Contractor you will be using, a contact person and phone number.
4. Where all material from abandonment will be manifested.
5. Upon completion of abandonment. Copies of receipts showing where all track material went.

We would be willing to work with your office, helping to identify disposal facilities prior to any abandonments you have planned in Kansas. The need for special waste permits from our office may be needed at some disposal facilities. The Bureau of Waste Management appreciates Union Pacific's cooperation on all abandonments within the state of Kansas. If, you have any questions concerning this email, I can be reached at the following number:

(785) 296-6617 M-F 7-4. My mailing address is: Bureau of Waste Management
