This email is at the request of Mr. Karl Hansen. SHPO received the above project on 12/3/2013 and concurred that there were NO ELIGIBLE properties within the area of potential effect (APE) on 12/13/2013. We have no further concerns under Section 106.

Please contact us if there are any changes to the project (use reference number 13-1193). Please also feel free to contact me if you have any further questions or concerns.

Thank you,
