Dear Mr. Saylor:

Thank you for the submission of information for the above-referenced project. After review of the materials, we concur that the bridges are not listed in the National Register of Historic Places (NRHP). However, these structures appear to meet the basic criteria for listing in the NRHP, as specified by 36CFR60.4 (age and integrity). No determination of significance is being made at this time.

Should you decide to review your determination of eligibility, we will be glad to consult with you on the eligibility of the property to the NRHP, or provide information to assist you in applying the National Register criteria.

This information is provided to assist with Section 106 responsibilities as specified in §36CFR800. If you have questions, please contact me at (801) 533-3561. My email address is: clhansen@utah.gov

Sincerely,
