I am concerned that changes to E|E right of way might adversely affect remnants of tall grass prairie. I hope an assessment will be undertaken to determine this environmental impact.

I believe all road crossings should be above or below grade. C.N. should be made to stipulate prior to sale all improvements planned.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.

### YOUR INPUT IS IMPORTANT!
