Dear Ms. Rutson:

This letter is written in response to your inquiry regarding properties of architectural, historical, or archeological significance in the area of the referenced project.

For the Arkansas Historic Preservation Program to complete its review, we need the location of this undertaking shown on 1:24,000 scale USGS topographic maps. We requested location maps from John D. Heffner, PLLC on May 4, 2004, but have not yet received a reply. Once we have received the above information, we can complete our review.

Thank you for your interest and concern for the cultural heritage of Arkansas. If you have any questions, please contact me at (501) 324-9880.

Sincerely,

Steven M. Imhoff
Staff Archeologist
