I vehemently oppose the increase in freight lines through the Barrington areas. I am very concerned about the increase in traffic congestion in an area that is already suffering from delays in traffic. This increase will further impact the quality of life in Barrington area. It will have ramifications for emergency vehicles and for our children who take the bus to school. My children already ride the bus for an hour each way to school as do many other children in this area. More freight will be longer bus rides for these kids. No more freight for the Barrington area!!!!

Mark Shircel

A handwritten signature in black ink, appearing to read "Mark Shircel". The signature is written in a cursive style with a large, looping initial "M" and a long, sweeping tail that ends in a circular flourish.
