Please! The issue of safety!! I'm a retired Barrington HS. ^{local} students going to the high school ~~and~~ all of the "dare devils" & reckless - there have been accidents & student deaths!! ... going down Highway 14 going EAST at 6:30 - 7:00 ^{AM} & turning on Hart Rd & 14 is a NIGHTMARE!!!

I talked to Chief of Police lawyer! They are horrified! How would ambulances get through??

ⁱⁿ Barrington ← The problem is there are only two major arteries, Rt. 14 + 59! You just can't get through town during the summer! It is Sunday A.M. & then that is so congested during the summer!

I'm ~~so~~ VERY, VERY concerned!!! This TRAIN could be the "run-away" TRAIN WRECK EVERY single day + evening!

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago

YOUR INPUT IS IMPORTANT!

Comments provided by the public help determine the scope of the environmental review.
