Hello Mr. Irwin,

I'm the EPA Region 2 NEPA reviewer. The STB's Environmental Assessment for the above proceeding made it to my desk. We have no formal comments on the document. However, if possible in the future, could these mailings be made to my unit supervisor, rather than the generic 'Main Office'? It takes forever for them to find their way through the bureaucracy.

The appropriate address for NEPA related documents in Region 2 is:

Grace Musumeci, Chief

Environmental Review Section

US EPA Region 2

290 Broadway, 25th Floor

New York, NY 10007.

Also, the document states that Norfolk Southern spoke with the NY District Army Corps of Engineers regarding wetlands. In Gardenville or West Seneca, they should be contacting the Buffalo District Regulatory Program at 716-879-4330.

Thank you for your time.
