We live with the tracks behind our house and I find the trains stopped to await their ~~to~~ ~~turn~~ turn to cross the CNW tracks in Barrington. Congestion is here already and getting worse. More congestion will cause ever greater ~~of~~ problems down the line! How would you like to hear a train coming to a halt behind your home. If you would like the experience - Please visit us.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.

### **YOUR INPUT IS IMPORTANT!**
