Dear Transportation Person:

I've been (and still am) a school bus driver for District 270 (Barrington area) for 22 years. I cross the E.J. & E. R.R. tracks 4 times a day, any trains on those tracks delay my routes. The children I bus have parents who depend on me as the driver to be on time as they have schedules to keep as well.

Any additional trains added to the E.J. & E. R.R. lines would adversely affect my school bus driving schedule, not to mention the Barrington area communities as well.

Please consider how significantly the vehicle traffic in and through Barrington and surrounding communities would be negatively impacted!

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
