Dave,

Attached is a copy of the entire EPRR Environmental Report (chapters 1-5), excluding Appendices. Due to the size of the Appendices, we will deliver you a CD. All photographs below are now visible and have been corrected.

David -

I have opened and closed the PDF document several times, and there are several photographs that are consistently missing or incomplete in the document. Perhaps they didn't transmit completely due to file size.

The incomplete or missing photos are located on the following pages: 40, 41, 47, 56, 58, 59, and 76.

Thanks,

Dave

Dave - Here is the bulk of the environmental report for the Eagle Pass RR. The last chapter (mitigation) is being reviewed, as are the appendices. I hope to have these to you before the end of the week. I also hope to get back to you very soon with the name of a third party contractor.

Regards. David
