I live at 55 Hawley Woods - Rail line is practically in the front yard. With CN's acquisitions and rail traffic to 15-20 trains - It will destroy my peace, safety and property. Barrington hills is country side rural community and EJ&E passes through many homes either in their front or back yards. Due to close ness of all neighbourhood of homes - it will be extremely unsafe with all the children. A Near Barrington Village Roads are congested and EJ&E Crossing the commuter will also worsen the traffic Tremendously. This acquisition will destroy this whole Barrington Community peoples lives & property
