STB -

I live in a neighborhood directly bounded by the E-J & E rail line. I am extremely concerned about the increased noise and vibration possible with an increase in rail traffic. This is also a concern regarding the nearby Citizens Park - the safety of those in the park and walking or biking to and from the park would undoubtedly be in question. I would be hesitant to let any of my three children venture to the park on their own as I currently do.

Please consider the proposal carefully! The entire way of life of Barrington residents is at stake.
