Please refer to STB Finance Docket No. 35087 in all correspondence addressed to the Surface Transportation Board. Comments must be submitted by February 1, 2008.

I'm not opposed to commerce and the benefit the increased freight rail traffic will bring to Barrington if it's done properly.

Put the rail in a tunnel under Barrington from approx. Cuba Rd to Penny Rd. Float bonds to pay for it over 20-30 years. I'll invest!

Avoid the hassle with the local people and get it done.

use the surface system til you get the tunnel completed.

Compromise and make it work!
