• Barrington + the surrounding areas will come to a "grid-lock"

• Fire equipment will not be able to get to my house from the station on Rt. 14.

• I will not be able to go thru town to get to I-90 in a reasonable time frame. It already takes me 30 minutes. This could increase to 1 hr or more.

• School buses will be delayed beyond reasonable time frames.

• I have been delayed on Cuba Road crossing (near Cuba Marsh) for over 20 minutes. This route will be bumper-to-bumper, with long wait lines, if the trains increase to 20/day.
