This acquisition should not be allowed.  
This will have adverse effect on our community.

There is only one way to go in & out of our subdivision.  
& other roads are not easy to access. Today we  
often get stopped by the train. This will have huge  
impact on emergency vehicles getting to our neighborhood.  
Today, with no or less trains emergency vehicles take  
at 10 minutes to reach us. This time will increase & that  
is unacceptable.

This sale must not go through.  
we oppose it!
