Please investigate farm land west of Barrington, generally. It costs money to build + acquire land for the RR. It maybe less disruptive. I'd be in favor of paying a little assessment

I live 1 block from the R.R. Going from very few trains to more than 17 per day is unacceptable.

Thank you for reading this.

Regarding extra traffic hold ups: more disgruntled drivers - some take chances in many ways to avoid long trains.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
