I oppose the Great Lakes Basin Transportation LLC, rail line project, Docket #35952, and believe the Surface Transportation Board should deny this project.

To quote Franklin Delano Roosevelt: "A nation that destroys its soil destroys itself" This is exactly what GLBT, LLC plans to do with some of the best farmland in the Midwest.

NOTE: When an individual chooses to submit an Environmental Comment or some Other Submissions, his or her personal contact information is considered public information and is shared within and outside of STB without additional authorization.
