The addition of more freight train tracks through Barrington would create havoc in our town.

1. Paramedics, fire engines, & police, cars would be stalled by this traffic delay. Please do not let this happen.

2. B High school traffic coming from the East would be deadlocked.

3. Route 159 traffic through town & headed towards St Anne's town would be stalled.

4. Route 14 traffic heading East to the Liberty & Park would be stymied. Please stop our requests for more trains!
