I am opposed to the increase in trains that this acquisition will cause in Barrington. Our historic and cultural atmosphere would be diminished. We already have a congestion problem in the hills and this would compound the problem, not improve our lifestyle. Additionally, the additional noise that would be created would greatly devalue the homes in the adjacent areas. I'm sure it would also decrease the quality of our air with the added pollutants expelled by these trains.

Please do not ~~get~~ let this acquisition proceed.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
