How are emergency vehicles (Ambulance, Police + Fire) going to navigate the maze of R.R. tracks - waiting for "long" freights to pass thru, when time is of the essence?

What about 400-800 school bus passings in the course of the day - not to mention people trying to get to work on time.

How can you paralyze a community like this?

Are there any laws prohibiting this type of behavior?

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
