The additional traffic would be disastrous to the economic & life quality of Barrington. No longer could commuters reliably get to the commuter train station; shopping in Barrington would be such an inconvenience that I would avoid the downtown entirely; school buses would be subjected to dangerously long waits; people living in the proximity of the CN line would lose property value due to noise & congestion; ~~the~~ ^{the} ~~st~~ st ~~ur~~ ^{ur} ~~ning~~ ^{ning} vehicle emissions would raise pollution levels etc etc etc. I paid a lot of money to live in this community. This has the potential to ruin my life savings.
