The communities along the Railroad are already under heavy traffic constraints. I have personally been at DOT and village meetings. I am a member of the Barrington Hills Communication Committee. Our community will never stop fighting forever. We adamantly oppose the additional loads on the roads and rails for safety and environmental impact. You know we have no bridges or tunnels and therefore you will gridlock us completely. Our economy will suffer. Our towns will suffer huge economic impact. Stay away from the NW suburbs, please. I will participate in opposition organizing. It will cost us but it will cost you more in the end.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.

### YOUR INPUT IS IMPORTANT!
