• What is being done to avoid traffic backups  
ie Shorefactory Rd already gets backed up to the east to a dangerous level for cars traveling the road. we were in an accident because a train stopped traffic and a car came over the hill totaling his car and a chain reaction for 3 more cars.

• our neighborhood is serviced by Bartlett emergency personnel (fire, ambulance) who approach on Shorefactory from 59 - train already cause a delay 5 times a day what will happen with 20<sup>+</sup> - a home would be gone, a person dead before help could arrive.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
