We recently moved to the Barrington community after a lengthy search. We purposely chose a home within walking distance to downtown so that our family could walk. I will be extremely concerned about my children walking with the addition of ~~the~~ numerous freight trains, I ~~do~~ only feel the safety of our children will be compromised if these trains are added. I also feel the traffic standstill that will be created for the area communities will adversely affect schools, commerce and our general livelihoods.

The added trains would negatively impact this entire community!
