

Appendix I: List of Preparers

The following organizations and individuals were involved in the preparation of this ER.

Civil Associates

Christopher F. Hagar, Senior Environmental Scientist, B.S. Horticulture, M.S. Horticulture, 20 years experience in NEPA studies. Primary focus for this ER: Air and Noise.

Robert W. Pitt, Senior Environmental Scientist, B.S. Geology, M.S. Geology, 14.5 years experience in NEPA studies. Primary focus for this ER: Air and Noise.

Cox|McLain Environmental Consultants

Larry Cox, Senior Ecologist, B.S. Soil & Crop Science, Graduate Studies Rangeland Ecology and Management, 20+ years experience in NEPA, ecological assessments, T&E issues. Primary focus for this ER: Wildlife and vegetation, threatened and endangered species habitat assessment, overall QA/QC.

Chris Dayton, Principal Investigator, Archeology, PhD, 11 years experience in archeology. Primary focus for this ER: archeology.

Ashley McLain, Senior Planner, M.S. Community and Regional Planning, 14 years experience in environmental consulting and 20 years in the environmental field. Primary focus for this ER: Socioeconomics and Cumulative Impacts Assessment.

Christine Polito, Ecologist, M.S. Wildlife Ecology, 7 years of experience in biology. Primary focus for this ER: Wildlife and vegetation, threatened and endangered species, hazardous materials.

Alex Pugh, Archeologist, B.A. Anthropology, 14 years experience in GIS & Archeology. Primary focus for this ER: GIS, assisting with archeological survey.

Ecological Communications, Inc.

Thomas P. Eisenhour, RA, Historical Architect, M. Architecture, University of Texas at Austin with Certificate in Historic Preservation, 24 years experience in cultural resource management. Primary focus for this study: Principal investigator and project manager for historic resources compliance.

Poznecki-Camarillo, Inc.

Crystal Benavides, Sr. Project Engineer, B.S. Civil Engineering, University of Texas at Austin, 19 years experience in transportation. Primary focus for this ER: Quality control/quality assurance.

Robert Benavidez, Senior Transportation Specialist, B.S. Civil Engineering, University of Texas at San Antonio, 34 years experience in civil and structural design. Primary focus for this ER: Schematic Design.

Maria Elena Camarillo, Sr. Environmental Project Manager, B.S. Wildlife and Fisheries Science, Texas A&M University, 18 years experience in NEPA document preparation, environmental studies, public involvement, agency coordination, and habitat analysis. Primary focus for this ER: NEPA document preparation.

Fernando Camarillo, Executive Vice President, B.S. Civil Engineering, Texas A&M University, 15 years experience in transportation. Primary focus for this ER: schematic design.

Todd Compton, Environmental Specialist, M.S. Environmental Science, B.S. Biology, 14 years experience in NEPA studies. Primary Focus for this report: NEPA document preparation: Physiography, Water Resources, Transportation, Hazardous Materials, & Recreation.

Colin McGahey, Environmental Specialist, B.S. Rangeland Ecology and Management, Experience: 6 years NEPA studies, 9 years GIS analysis (EIS constraints, land use, alternatives, and water resources experience). Primary Focus for this report: GIS analysis, Alternatives Analysis, Cumulative Impact Analysis.

Step toe & Johnson, LLP

David H. Coburn, Partner, Education, B.A. Brandeis University, J.D. Georgetown University Law Center, 35 years experience in transportation and administrative law with a focus on aviation and surface transportation law and litigation. Primary focus for this ER: NEPA document review.

Joshua Runyan, Associate, B.A. University of Wyoming, J.D. SMU Dedman School of Law, 4 years experience in US Environmental Protection Agency and US Food and Drug Administration regulatory issues, as well as environmental litigation. Primary focus for this ER: NEPA document review.
