Dave,

Thank you for the notice of the meeting and the invitation to attend.

For the Port, we are sorting out who can attend due to previously scheduled commitments that day. I anticipate that Rick Ferrin and I will attend, and another representative from the Port.

Also, as we discussed briefly, there is prior NEPA documentation that was prepared by the Corps authorizing the Port's ongoing dredging project. I am attaching for your information some excerpted pages from a Final EA dated Dec 2012. I will send along additional information and links when I can.

Please let me know if you have any questions.

Kathryn
