I completely oppose 20-26 trains passing through at least two major thoroughfares in Barrington. Traffic here is already, some days and times, unbearable. Crossing NW Hwy and Lake Cook Rds is unacceptable. Another great concern is safety. The High School is blocks from the tracks. Students cross those tracks multiple times throughout the day. Over 400 busses pass on the tracks in just one day. School traffic flow would be impeded as well as an increased safety risk that we are not willing to accept. The environmental impact is also unacceptable, noise pollution & smoke pollution of 26 trains per day is not acceptable for me as a citizen of this community.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.

YOUR INPUT IS IMPORTANT!
