* The impact (environmentally + psychosocially) on our community will be catastrophic. As it is, the stress level for commuters driving through the town of Barrington, is at a breaking point. Traffic is a huge issue, even on a good day - with the school buses, commuters and speeds allowed of 15-25 mph. Peak times of operation just are NOT acceptable for the well being of our citizens!

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
