SURFACE TRANSPORTATION BOARD

Mr. Dave Navekcy

395 E. Street SW

DEAR MR. NAVECKY,

I am very concerned about Docket No. FD 35952, the proposed Great Lakes Basin Rail that would cut across Wisconsin and Illinois. My wife and I live in a rural subdivision near Clinton, Wisconsin. We moved there because of the surrounding farms, grazing livestock, and quiet atmosphere. The Great Lakes Basin Rail will disturb all of those features. We need to protect rural America and her beautiful farmland.

There are other rail lines and/or transportation routes that could be utilized in order to improve the Chicago congestion. Please don't take away our beloved Wisconsin farmland.

Sincerely,
