Re: ***Canexus Chemicals Canada L.P. v. BNSF Railway Company,***
STB Docket No. 42132

Dear Ms. Brown:

BNSF Railway Company seeks **EXPEDITED CONSIDERATION** of its Motion to Permit Consideration of 2011 TIH Movements from BNSF Traffic Data in Selecting Comparison Group filed on December 14, 2011. Expedited consideration is warranted given the very expedited schedule for this Three-Benchmark case. BNSF's motion focuses on the data that may be used in selecting the Comparison Group in this proceeding. Discovery closes on January 13, 2012 and each party must tender its initial Comparison Group on February 13, 2012.

BNSF counsel have consulted counsel for Canexus regarding this request. Canexus does not support this request for expedited consideration.

Thank you for your consideration.

Regards,

Linda S. Stein
