RE: STB Docket No. AB-1077X, *Wiregrass Central Railway, LLC*—
Petition for Exemption—Coffee County, AL

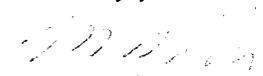

Dear Ms. Brown:

By letter dated February 13, 2013, the Alabama Trails Commission, requested the Surface Transportation Board to extend the time period for the Alabama Trails Commission to negotiate interim trail use/rail banking with the Wiregrass Central Railway, LLC (“Wiregrass”) for the 1.2-mile line between milepost 820.0 and milepost 821.2 in Enterprise, AL.

By this letter, Wiregrass notifies the Board that it agrees to the 180-day extension of the negotiating period requested by the Alabama Trails Commission. As provided in 49 CFR 1152.29(e)(2), the extension of the trail negotiation period until creates a regulatory barrier to consummation of the abandonment, which provides Wiregrass with an additional 60 days to consummate the abandonment, if trail negotiation is unsuccessful. Wiregrass respectfully requests that the Board confirm that the extension of the consummation period as provided in the regulations applies in this instance.

Wiregrass is e-filing this letter. Thank you for your assistance. If you have any questions please contact me.

Sincerely yours

Melanie B. Yasbin
