

Ms. Cynthia Brown  
Chief, Section of Administration  
Surface Transportation Board

Dear Ms. Brown:

This letter is in reference to Finance Docket No.34344. The Patapsco & Back Rivers Railroad. The company I work for. MCM Management Corporation, has purchased the Patapsco and Back rivers Railroad, through the purchase of RG steel corporation. This is MCM's first Railroad purchase. We wish to operate the railroad under a new name. Our new name will be The Baltimore Industrial Railroad. We will be under the same LLC as MCM, just their Rail division. We already have our reporting marks of BDR. We will have our new tariff in effect on November 19<sup>th</sup> 2012. We will have our account with RMI set up by November 1<sup>st</sup>. This letter is for informational purposes only. We plan to grow this Railroad and industrial area as much as possible. We would like to Thank Bryan O'Boyle for all of his help and knowledge, on helping us move forward.
