Counsel for CITY OF CHICAGO, ILLINOIS

Dated: September 17, 2015

**BEFORE THE
SURFACE TRANSPORTATION BOARD**

STB Docket No. FD 35935

**CALUMET TRANSLOAD RAILROAD, LLC – PETITION FOR DECLARATORY
ORDER**

MOTION TO EXTEND TIME FOR REPLY

The City of Chicago, Illinois (“City”), hereby submits this Motion to Extend Time for Reply to the Petition for Declaratory Order filed on June 10, 2015, in the above-referenced docket by Calumet Transload Railroad, LLC (“Calumet”). Calumet has authorized counsel for the City to represent that Calumet consents to this request to extend time.

Replies to Calumet’s petition are currently due no later than September 30, 2015.¹ The City requests a 30-day extension of this time period for responding to Calumet’s petition for good cause, including consent from Calumet and lack of prejudicial effect on any other potential interested parties. Under 49 C.F.R. § 1104.7(b), the Board has discretion to extend the time period for replies upon request and with good cause.

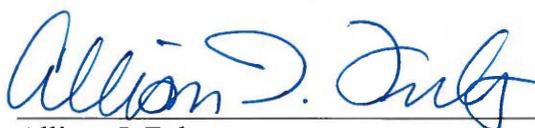

As previously set forth in the City’s August 21, 2015, request for an extension of time, good cause exists here because the City and Calumet have substantially negotiated terms that they anticipate will enable Calumet to withdraw its Petition in this matter, and are diligently pursuing execution of a final agreement. The City and Calumet seek an additional extension of time of thirty (30) days in order to conclude negotiations and document their agreement. The

¹ On August 27, 2015, the STB granted the City’s August 21, 2015, request for an extension of time, to September 30, 2015, in this docket.

City and Calumet believe the requested extension of time presents the most efficient means of allowing the issues before this Board to be resolved.

WHEREFORE, and in view of the foregoing, the City respectfully requests the Board to extend the time for responding to Calumet's Petition for Declaratory Order to October 30, 2015.

Respectfully submitted,

A handwritten signature in blue ink that reads "Allison I. Fultz". The signature is written in a cursive style and is positioned above a horizontal line.
